Artem is a member of the firm’s Business Law and Financial Services Groups.

His practice is focused on structuring and negotiating corporate and commercial transactions, including syndicated lending, mezzanine financing, asset-based lending, acquisition loan facilities and mergers and acquisitions.

Clients appreciate his ability to advise on forward-looking strategies for all phases of their business' life cycle, including mergers and acquisitions, equity and project financing, growth strategies, reorganizations or buyouts, and exit strategies. His clients include banks, private equity firms, equity sponsors, and borrowers ranging from small family run businesses, Indigenous communities to public companies across a variety of industries.
