Jonathan is an Associate in the firm's Litigation and Dispute Resolution Group. He is developing a general commercial litigation practice.

Jonathan understands that litigation requires working with clients to navigate complex issues that impact their lives and businesses. His approach is to provide clients with the most effective and least disruptive services possible.

Jonathan was called to the Ontario Bar in 2022 and obtained his Juris Doctor from the University of Western Ontario in 2021. While in law school he volunteered at Western Law's Community Legal Services clinic, where he represented clients in a variety of civil disputes.

Outside of his practice, Jonathan enjoys trying new restaurants, playing Chess, and patiently waiting for the Toronto Maple Leafs to bring the Stanley Cup back to Toronto.
